

## Ultimate X Poker™

*Ultimate X Poker™* is a completely new type of theme and offers the potential for more action than any other multi-hand video poker game on your floor.

The Ultimate X feature offers a buy-a-pay wager that qualifies players for bonus multipliers – from 2X to 12X.

A bonus multiplier is awarded to each active hand ending in a winning combination. The value of the multiplier is determined by the pay schedule and is applied to any wins received in that hand in the next game. This makes *Ultimate X Poker* a theme where each successive hand is almost guaranteed to be more exciting than the last.
