

iGame-Plus Series™

Indigo Swing™

For nostalgia value alone, Swing is the hap'nin thing for the next millennium. Join the action when the rockin' Big Band Swing sounds of Louie Prima and Indigo Swing get your players hip-hoppin' at the slots.

This lively, upbeat game creates a Swing Club atmosphere wherever it's played. Toe-tappin' music accompanies each reel spin, punctuated by an accent of jazz as each of the five reels stop.

The Swing party really gets rollin' when three dance couples line up on any of the nine paylines, initiating the bonus mode. As the music swings on, the bonus screen

splits into two choices – a Dance Contest and a Soda Shop. When the player selects an image, it fills the screen and comes alive. The player then chooses a dance couple who animates to the music and reveals a wager multiplier at the end of their dance.

Indigo Swing is sure to win over the young-at-heart... and is a winner for your gaming environment.

All IGT iGame-Plus machines use high-performance RISC

processing technology, providing the security and flexibility you will need to take your casino into the future. iGame-Plus machines are available in 17" upright and slant-top models.
