

A special game from IGT MegaJackpots®

# Indy, Like You've Never Seen Him Before – Action, Adventure and Profits on Your Floor

## **INDIANA JONES** and the **LAST CRUSADE™**

### Introducing *Indiana Jones and the Last Crusade™* REELdepth™ Slots

One amazing spinning reel game combined with the best technology on the market today offers your players an experience that's never been seen before.

Players will instantly recognize this movie classic from anywhere on your floor. This 5-reel, 40-payline game is the first MegaJackpots® theme to offer Multi-Layer Display™ (MLD®) technology. Along with an innovative dual-LCD display, REELdepth™ games provide a crisp, stunning experience and a 3-D looking representation of the reels themselves.

# ***Indiana Jones and the Last Crusade***

## **Two Great Products – One Fantastic Gaming Experience**

Combined with 88 movie clips that play consecutively after each bonus win, and the 3-D effects of *MLD*® technology, this game takes players on a gaming adventure filled with planes, snakes and Indy himself.

The top-box bonus features a new 20-stop wheel with a built-in bonus multiplier on the pointer. The multiplier fluctuates while the wheel spins – together they work to create anticipation and thrilling payouts.

### **Is it real, or is it REELdepth™?** **See for yourself**

*REELdepth* games are made with *MLD*® technology and feature 3-D looking animations and many other attractions on both the top and bottom LCD screens.

See for yourself, *REELdepth* games are the real deal. For more information about IGT's new *REELdepth* games, and to check game availability in your area, please contact your IGT Account Executive or visit our web site at [www.IGT.com/REELdepth](http://www.IGT.com/REELdepth).
