The *Munster Match* bonus haunts the player when five Munster coin symbols land on any payline. Players try to find three matching characters on a grid. Each square yields a value as the characters' identities are revealed. The credit

This game is loaded with great entertainment. Herman, Lily, Eddie, Marilyn and Grandpa symbols frighten the reels at every spin. Players will howl with delight when the Wild Bat symbol combines with any character symbol. The Bat turns into a Grandpa character that takes over the entire reel. Players won't be able to miss him in his vampirish glory.

values for the winning character are totaled for a monstrous payoff. The bonus is doubled if Marilyn is found.

If three or more Spot the Dragon symbols fall on adjacent reels, the game launches the *Hot Spot* bonus. A real Munsters fan will recognize the hidden staircase that opens to reveal the bonus credits won.

The game plays one of three nostalgic clips of Herman Munster with every big win. What a scream!

Add the optional chime or copper Herman coin topper for an apparition sure to lure your specters. Available in 9- and 25-line versions, this wacky, exciting game will add a new level of fun to your house of horrors.
