## **Game King 5.0 Multi-Game™**

The sovereign king of all gaming machines is back, and he's more regal than ever! Full of new enhancements, including state-of-the-art video graphics and enhanced stereo sound, the *Game King 5.0 Multi-Game* suite is sure to rule over your entire casino floor with unprecedented magnificence!

Lords, ladies, and other distinguished members of the royal assemblage, welcome to IGT's grand palace! Currently holding court is his majesty, the *Game King 5.0 Multi-Game* suite, and he's betting the crown jewels that his royal army of 5 new and 13 enhanced games is going to win your players' loyalty forevermore.

*Double Double Bonus Poker*

For your pleasure, our gracious lord has updated his entire realm of keno games. The *Caveman Keno* game features delightful Paleolithic graphics including a dinosaur egg multiplier symbol, where when two eggs turn into dinosaurs, the total win is multiplied by four, and when three eggs turn into dinosaurs, the total win is multiplied by eight.

Also, the *Multi-Card Keno* game lets players choose to play from one to an astounding 20 cards!

For the more established members of the court, the King's tried-and-true standard keno game is better than

Cleopatra Keno

ever – complete with a new audio and animation package, yet two of the King's most prized possessions are his *Cleopatra Keno* and *Power Keno* games. In the *Cleopatra Keno* game, players win 12 free plays if the last ball drawn is hit in a winning game,

and the resulting free play wins are multiplied by two! In his majesty's *Power Keno* game, players wins are multiplied by four if the last number drawn hits a marked spot.

For the court's amusement and sport, the King's added two new and one enhanced eight-line slot games: the *Leopard Spots*, *Super 8 Race*, and *Cleopatra* themes.

In the *Leopard Spots* game, three or more Leopard Spots symbols in any position initiate the *Free Spin* bonus where all pays are tripled! The *Super 8 Race* game offers players a *Turbo Play* bonus that initiates nine free turbo spins, while in the *Cleopatra* game, three or more Sphinx symbols in any position initiate the *Free Spin* bonus where all pays are doubled!
