TYPE 67 Description

Any combination of three scattered BB or RB symbols with max coins bet initiates the Type 67 feature. A number of shots are awarded based on the initiating symbols. The first shot is made into the lowest row. If a win value is highlighted, the amount is added to the win meter and the next shot is made when applicable. If the move up symbol is highlighted, a position in the next higher row is highlighted. The next shot is made into the row where the previous shot was awarded a win value. Play continues until all shots have been made and a win value awarded for each. The total on the win meter is awarded and the feature ends.
