Key to Credit (Key to reset – W2G)

Note: harness from Kiesub is the same for all games. They made the harness a few feet longer to accommodate all games.
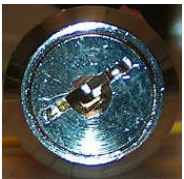

Kiesub Part Number 6073508

Also need the double tab (quick disconnect) for the reset lock.

KEY TO CREDIT

W2G   RESET

Yellow / Green Wire   (Ground)

To Pin A13 Cabinet I/O or J12 on the Mother board depending on type of game
